Verse 3

White clouds, sun shining through.
 Together there's nothing which we couldn't do.
 Bright new future, you will always see
 paradise smiling, best times, you and me.

Verse 4

Long empty beach, waves rollin' to shore.
 Warmth around you, everyone can adore.
 Candle lit dinner, down on one knee.
 Romantic dance, best times, you and me ... Now

Verse 5

Soft-centred chocolate, smooth to the taste.
 Rainy winter day, times never to waste
 Your very happiness, my master key.
 Unlocked feelings, best times, you and me.

Verse 6

Like a rainbow after a summer storm,
 you came into my life, Colours sunrise at dawn.
 You opened my heart and always will be
 a special place, best times, you and me ... Now
